

SB0051 Favorable with Amendments
Warren (Rusty) Carr
4391 Moletton Drive
Mount Airy, MD 21771

I am in favor of SB51 with the following amendment:

Remove 1-211.B (lines 4-12)

The odor of hemp is indistinguishable from the odor of cannabis. Hemp is non-impairing. Odor can not be a probable cause of impairment and thus cannot be a probable cause for any search.

Thank you,
Rusty Carr
